Subject: RAF Meeting with HQ
Attachments: RAF Transition Scorecard (R3)_Regional Update.xlsx

Hi All,

I added comments to the HQ RAF Transition Scorecard per our meeting yesterday as a Region 3 Notes column and updated status with a different color green for a number of sites. I think this shows a pretty accurate picture of where we are in the RAF transition, please let me know if you have any questions. I can share this with HQ in advance of tomorrow's call if you would like.

Thanks,

John F. Epps III
